Goal: Part-time air/production work

Radio Experience

Major airshift work at each station with a heavy emphasis on rock-radio, accounting for every position held in radio since 1987. Band interviews, concert stage announcement and remote broadcast experience. Heavy production experience on Multitrack and digital audio editing and mixing equipment.

Staff positions held outlined below:

Assistant Program Director WYBB, Charleston, SC

Responsibilities included (Selector) music programming, creating daily music log, improving communications between staff and management, developing relationships with record companies, performing daily air-shift (Afternoon Drive), promotion work, and commercial ad production.

Program Director WEQX, Manchester, VT

Reestablished station in the market after a total staff walkout took place before my arrival. Hired and managed complete staff of 10, resulting in a professional team achieving the station's highest ratings in its then six-year history*. Developed relationships with concert and event promoters, coordinated promotions with sales department. Midday airshift.

*Spring 1991 Arbitron and Birch/Scarborough research. Ratings record still holds today.

Jazz Director WAPL, Green Bay, WI

Had #1 afternoon show in dual markets (Afternoon Drive), reestablished success of Sunday morning jazz survey show, promotions, commercial production.

Promotion Director WKLC, Charleston, WV

Arranged client promotions involving extensive phone work and art rendering. Evening announcer with #1 show in dual markets, commercial ad production.
